[name removed] - Manager, Appraisal

From: [name removed] - Archivist, Appraisal

Subject: Inland Revenue Department Testamentary Registers

Date: 12 October 2004

File Number: 2004/4208

Objective id: A78315

1. Appraisal Circumstances:

In late September 2004 the Inland Revenue Department requested advice on the disposal of 6 New Plymouth Testamentary Registers dated 1867 to 1918 held at their National Office in Wellington.

2. Description and Evaluation:

Archives New Zealand hold only a limited amount of material from the Inland Revenue Department. These large volumes have significant evidential and informational value. Transfer of these items will compliment our existing holdings of Testamentary Registers in AAEC series 638.

3. Recommendation:

It is recommended that the complete set of these volumes be transferred under delegated authority.

Quantity recommended for transfer as public archives: 6 volumes (100%)

Quantity recommended for destruction: 0 volumes (0%)
