## MEMORANDUM

July 30, 1998

To: [name

*[Handwritten signature]*  
30/7

removed]

From: [name removed]

### APPRAISAL OF RECORDS

I have attached an appraisal report (file reference SR 98/66) for your consideration.

The Ministry of Education have sought ongoing authority to destroy vacancy schedules one year after appointments are confirmed. The appointment report and letter are filed on the appointee's personal file.

I have looked through the attached papers and have no objection to the recommendations made within.
